

artist:

Roctakon x DJ Eli

title:

Money Lotion 12"

release:

April 1st, 2009

catalog number:

ms-042

- **exclusive edits and remixes for club DJs**
- **500 copies only**
- **special silk-screened covers**
- **Roctakon and DJ Eli are top club DJs**
- **previous volumes from Roctakon and DJ Eli are bestsellers on Turntable Lab**

Roctakon, who inspired the first Money Lotion record (and many argue the best), returns with two more remixes that have turned into club staples over the years, played by all the top club DJs like DJ AM, Ayres, and other. For the b-side, Roc tapped another Money Lotion veteran, DJ Eli, who drops a personal favorite of his. Eli fans will love this. Limited to 500 copies with special silk-screened covers.
